the DAWN of
TECH support

Business Arising:

Meeting room venue vs. online. Given the winter weather, online is alright for now. Brennan Park won’t work, 55 Centre quite expensive and time limited. Brackendale Art Gallery might also work out.

Roundtable:

Picked up a bin of t-shirts and signs from Heather Evans & placed them in the container. Carl to create simple stencil to ident (as requested by DoS). Mark – soft date to paint container – April? We do get busy in the spring. Jennifer – thanks to Matt for all his work on the container. Patrick – keep the notifications coming!

Adjournment: 19:51

Next meeting: February 21, 2024
